## **Egg-cellent event brings community together**

Locals hopped into Easter celebrations over the weekend with over 100 Illawarra locals enjoying an afternoon of family friendly fun, sweet treats and an Easter egg scramble.

The Forest Reach by AVID Property Group (AVID) community came together for its very first community event on 29 March to celebrate Easter, with a special visit from the Dapto Rural Fire Brigade.

AVID General Manager New South Wales Danny Boubli said the Easter Event was a huge success, with activations for every member of the family, including a petting zoo, DJ, face painting, and roaming characters.

“Creating thriving, connected communities is at the heart of AVID, and we are thrilled to have held the first of many community events in Forest Reach,” Mr Boubli said.

“Since acquiring the community in May 2025, our goal has been to create an environment where home extends beyond the front door, with neighbours mingling at community events and in shared spaces.

“The Easter Event was a triumph with over 100 attendees, and we look forward to helping residents strengthen these relationships with upcoming events.

“As we introduce more community events to Forest Reach, we’re actively looking for ways to support the wider community, and I’m thrilled that we were able to welcome the Dapto Rural Fire Brigade, an organisation so vital in keeping our community safe.”
